EXISTING RULE:

1.16.2 A student may drop a course with no record during the first five class days of a fall or spring semester and during the first four class days of a summer term or a 10-week summer semester. Following this period, if approved by the Dean of the College or his or her designee, a student may drop a course without academic penalty through the 50th class day of a fall or spring semester, the 15th class day of summer term or the 35th class day of a 10-week summer semester. The symbol Q shall be given to indicate a drop without academic penalty. Undergraduate students will normally be permitted three Q-drops during their undergraduate studies at Texas A&M University. State law prohibits students from having more than six dropped courses from all state institutions attended during their undergraduate career if they entered higher education as first-time enrolled freshman beginning the 2007 fall semester and thereafter. For exceptions see rule 1.18.

RULE WITH PROPOSED CHANGES:

1.16.2 A student may drop a course with no record during the first ~~five~~ **twelve** class days of a fall or spring semester and during the first four class days of a summer term or a 10-week summer semester. Following this period, if approved by the Dean of the College or his or her designee, a student may drop a course without academic penalty through the 50th class day of a fall or spring semester, the 15th class day of summer term or the 35th class day of a 10-week summer semester. The symbol Q shall be given to indicate a drop without academic penalty. Undergraduate students will normally be permitted three Q-drops during their undergraduate studies at Texas A&M University. State law prohibits students from having more than six dropped courses from all state institutions attended during their undergraduate career if they entered higher education as first-time enrolled freshman beginning the 2007 fall semester and thereafter. For exceptions see rule 1.18.

JUSTIFICATION FOR PROPOSED CHANGE:

These changes are an effort to implement a state-mandated limit on the number of courses dropped by a student after the official census date. SB 1231 of the 80th Texas Legislature prohibits students who first enroll as freshman in the fall 2007 or later from dropping more than 6 courses at all Texas public institutions without a showing of good cause. Including this limit of 6 within the TAMU student rules is necessary such that it may prohibit a student from being allowed the 3 Q-drops he or she would normally be permitted.
