EXISTING RULE:

17.3 Withdrawal Procedures

17.3 When a student withdraws from the university beginning the first class day and extending through the Q-drop deadline, the registrar will assign a grade of W to all courses enrolled in during that semester. Any courses previously graded for that semester will be changed to W, and the W grades will be displayed on the permanent record.

RULE WITH PROPOSED CHANGES:

17.3 Withdrawal Procedures

17.3 When a student withdraws from the university beginning the first class day and extending through the Q-drop deadline, the registrar will assign a grade of W to all courses enrolled in **and still in progress** during that semester. **Grades in** any courses previously ~~graded Q-dropped~~ for that semester will be changed to W; ~~and the W grades will be displayed on~~ the permanent record. **Courses taken during an intersession or intrasession that are over and have been graded will be retained with their current grades on the permanent record.**

JUSTIFICATION FOR PROPOSED CHANGE:

New wording is intended to allow grades received in courses that are completed in inter/intrasessions (minimesters) to remain on the record, while only converting dropped grades (Q's) to W's.
