(Additions to rules are bolded and underlined, deletions to rules are indicated by strikethrough)

### PROPOSAL

A college may allow a maximum combination of 18 hours of 481, 485 and/or 491 courses in a curriculum.

### JUSTIFICATION

Colleges have requested allowing students to take the courses listed on an S/U basis. This is especially true with the growing use of zero-credit-hour courses that are included on the student transcript for the purposes of credentialing high impact experiences.
